

# Improving the National Catalogue with a new Albanian Innovation

By Renata Uruci  
Executive Director  
B.A.ZH NGO

**April 2013**

The Albanian Catalogue for Human Development is being updated with a new strategic innovation coming from the Vlora Region.

AULEDA, the first Regional Agency for Local Economic Development of the Country presents its institutional characteristics, methodologies adopted and results achieved in a new brochure.

AULEDA is available to provide technical support to transfer its innovative know-how to other interested regions of Albania.
