Launching the sixth Edition of the Innovation National Contest in Nicaragua

The Vice Presidency of the Republic of Nicaragua through the Council of Science and Technology (CONICYT) of Nicaragua launched the Sixth Edition of the *National Award on Innovation*. The contest has been organized in collaboration with FUPADE, COSEP, MIFIC, CLARO, CNU, CEMEX, COMTECH, UNDP, UNA and UNESCO.

The registration form can be downloaded at **www.conicyt.gob.ni** and the innovations may be sent within July 31 to the following email address: **premioinnovación@conicyt.gob.ni**.

The three best innovations will be awarded in occasion of an official event, organized by the Vice Presidency of the Republic of Nicaragua and the promoters of the contest. The event is scheduled on September 25, 2012 during the Science week organized by CONICYT. The pictures show the authors of the innovations awarded in the 2010 Edition of the Contest.
