

MATERIALS OF THE ORGANIC DAYS ORGANIZED BY IFOAM IN CYPRUS

From 24 to 26 September 2012, the Organic Days event was held in Cyprus, organized by IFOAM, the [International Federation of Organic Agriculture Movements](#), a worldwide umbrella organization for the organic movement, uniting more than 750 member organizations in 116 countries.

The Organic Days, in particular, were organized by the IFOAM European Union working group, bringing together more than 250 organizations, associations and enterprises, in cooperation with the Cyprus EU Council Presidency, the European Commission, Pasybio and [TPOrganics](#).

The Organic Days conference gathered around 100 participants from the European institutions, the research community and the organic food and farming movement.

During the conference, high level experts presented the following contributions on different matters of the organic productions, which can raise wide international interest.
