

INTERNATIONAL AWARDS ON INNOVATION FOR TERRITORIAL AND SUSTAINABLE DEVELOPMENT

IDEASS website regularly publishes information on international awards promoted by different organisations to enhance innovative technologies, practices and methodologies for sustainable territorial development. To help promote the participation to these initiatives of authors and managers of innovative solutions, awards identified so far are listed below and available on the [IDEASS web page](#).

On the web pages of the different organizations shown hereunder, you can find information on submission dates and purposes of the prizes so that you may decide to participate in due time.
