

European Meeting on Métiers of Art and Design

The National Institute of Métiers of Art in France, and the partners of the European programme DREAM, are organizing the *Meeting Métiers of Art and Design in Europe*, which will be held at the Palace of Luxembourg in Paris on 30 May 2011. The meeting will be attended by representatives of countries such as: Romania, Portugal, Italy, Spain, Finland, Denmark, United Kingdom and France.

The European meeting have the objective of presenting the innovative practices in the sector of *métiers of art* in order to encourage the initiatives of renewing productions and in particular to promote collaborations between designers and artisans of art.
