

### **The results of the European Meeting on *Métiers d'Art* and Design**

More than 200 representatives of Romania, Portugal, Italy, Spain, Finland, Denmark, United Kingdom and France participated in the Meeting held at the Palace of Luxembourg in Paris on 30 May 2011 and organized by the National Institute of Métiers of Art-INMA.

The Meeting, organized to present the results of [European programme DREAM](#) (Design Recherche Europe Art Métiers), involved all the european partners: the National Institute of Métiers of Art INMA (France), *Fundación Española para la Innovación de la Artesanía* FUNDESARTE (Spain), University of Art and Design of Helsinki (Finland), *Agence pour la promotion de la création industrielle* APCI (France), *Osservatorio per i Mestieri d'Arte* OMA (Italy) and National Museum Complex ASTRA (Romany).

The European meeting was an important occasion to present innovative practices in the sector of *métiers d'art* in order to encourage the initiatives of renewing productions and in particular to promote collaborations between designers and artisans of art.
