

# AGFUND INTERNATIONAL PRIZE 2024 FOR THE SDG 14: LIFE BELOW WATER

The Arab Gulf Programme for Development AGFUND announced the 2024 Prince Talal International Prize for Human Development for innovative projects that best contribute to achieving the Sustainable Goal 14 of the 2030 United Nations Agenda for Sustainable development : *Life Below Water. Conserving and sustainably using the oceans, seas and marine resources*”

AGFUND invites organizations, public institutions research centers, universities, associations and foundations to submit nominations. The projects that will contribute to achieve the targets of the [SDG Goal 14: Life Below Water. Conserve and sustainably use the oceans, seas and marine resources](#) shall be eligible to compete for AGFUND Prize 2024 that amounts to US\$1,000,000.

The 2024 Prize covers the four categories as follows:

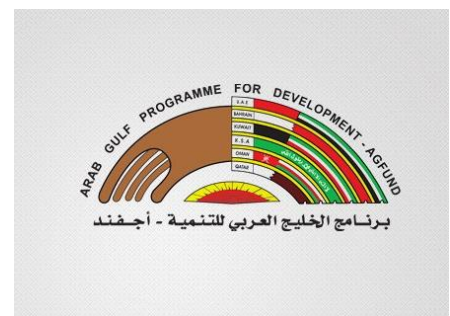

- First category prize (US\$ 400,000), for projects implemented by UN, international and regional organizations
- Second category prize (US\$ 300,000), for projects implemented by national NGOs;
- Third category prize (US\$ 200,000), for projects implemented by governmental bodies, public institutions) and social business enterprises/ foundations.
- Fourth category prize (US\$ 100,000), for projects initiated or lead by individuals

The International Prize for Pioneering Human Development Projects was established in 1999 by the Arab Gulf Programme for Development AGFUND with the aim of inciting and encouraging innovation and creativity in the areas of human development. The Prize is supervised by an International Committee of renowned development leaders, who are selected based upon their efforts and contributions to human development.
